

Fondation Diane Launching the Call for Entrepreneurs in the "Blue Economy" Sector

Are you an entrepreneur in the "Blue Economy" sector at ideation, growth, or maturity phase? Do you have a Sustainable Business idea, a Start-up or an SME in any of the following sub-sectors:

- Salt Extraction & Harvesting
- Coastal Tourism
- Port Activities
- Shipbuilding & Repair
- Fishing
- Blue Energy
- Aquaculture

Apply Now to the "Promotion of Sustainable Entrepreneurship in the Blue Economy Sector" and get the chance to be among 20 selected entrepreneurs who will benefit from a Sustainable Business Development Training Program. This program is funded by the European Union in Lebanon and provided by Fondation Diane for MedWaves in the framework of the SwitchMed project.

Deadline for applications: September 16, 2022
