— About the Clinic

The Clinic offers pediatric consultations mostly for disadvantaged families to help them have access to a medical care of high value.

Open to all families residing in Lebanon, it aims to provide quality medical services through a reputable and trustworthy hospital center, in a context of skyrocketing living costs.

1st Center of-its-kind that aims to offer:

Diagnosis

Vaccinations

Preventive &
Curative Care

Psychological
Support

The medical team seek to offer parents and their children a humane medicine where careful listening, accurate info and respect of the child, as well as the management of his stress and pain, are given full attention. They are keen to help parents have a full understanding of their children's medical problems, to be able to provide them with full support.

Opening Hours:
Monday to Friday
8:00 am - 3:00 pm

To request an
appointment, call:
