CEEDD'S AWARENESS CAMPAIGN ON WATER CONSERVATION Funded by USAID

In the framework of Lebanon Water Project (LWP) financed by USAID, CEEDD implemented an awareness campaign on Water Conservation. It consists of a series of 2-3 min videos as well as e-flyers and posts in order to promote awareness and ensure a high reach. The posting on all social media began on February 1 and all schools in the Metn area were tagged along every post or video uploaded.

Episode 1 - Water meters

CEEDD'S WEBINARS

CEEDD continues to organize free webinars on zoom on subjects related to the Sustainable Development Goals (SDGs), reaching out to a maximum number of citizens. The Chair is conducting the interactive sessions through quizzes, polls and open questions, supporting the speaker along the discussion. The webinars were recorded and will soon be posted on the Chair's website.

Good to know

A new global framework on Education on Sustainable Development (ESD) is currently under preparation and will be officially launched at the UNESCO virtual World Conference on "Education for Sustainable Development" in Berlin on 17,18,19 May 2021.

ACTIVITIES

Training on Water Conservation in Akkar, Funded by USAID

After accomplishing the teachers' training on Water Conservation and Management, our expert Dr. Elyssa Fawaz kick started the second stage of the program where the teachers will start implementing these projects with their students. Monitoring and coaching sessions will be conducted in order to achieve the set outcomes and continually monitor the progress and make necessary improvements.

Signature of a Collaboration Agreement between the Chair and the Lycée Franco-Libanais Verdun with the Initiative of Miss Elisabeth Orsini

On the 29th of March 2021, Professor Fadi El Hage, the Chair Holder of CEEDD, and Mr. Jean-Marc Aubin, Principal of the Lycée Franco-libanais Verdun formalizes through a signature of collaboration an agreement towards an eco-sustainable approach within the Lycée.

USJ VERTE

In the framework of the awareness campaign carried out by the Chair CEEDD within the «USJ Verte», a series of videos has been developed in order to describe the different stages of recycling each type of solid waste.
