Dear Global Lebanese Family, in Lebanon and abroad,

**The Children of Lebanon are in distress!**

**300,000+ of them are displaced.**

Forced to flee their homes, seeking safety in the streets, public schools, refugee shelters, or even public gardens.

**Today, more than ever, their health is at risk!**

The "Clinique Sociale de l'Enfant" is here in the Heart of Beirut, as always, ready to provide **primary healthcare services** to all children across Lebanon – almost **FREE** of charge!
